IN RE: Application of Enron Broadband Services, Inc.) ORDER CANCELLING ✓
for a Certificate of Public Convenience and) CERTIFICATE
Necessity to Provide Facilities-Based)
Interexchange Access Telecommunications)
Services within the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Enron Broadband Services, Inc. ("EBS" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide facilities-based interexchange access telecommunications in the State of South Carolina. A review of the docket file reveals that the Commission granted EBS authority to provide intrastate interexchange access telecommunications services in South Carolina as a facilities-based carrier by Order No. 2001-020, dated January 5, 2001.

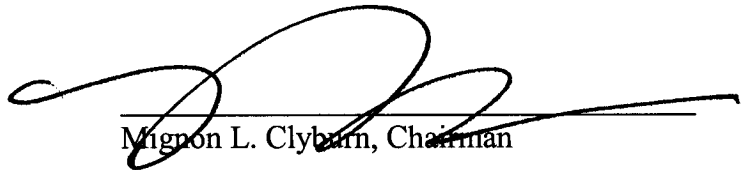

By letter dated March 1, 2004, EBS, through Enron Corp.'s Senior Director-Tax, advised the Commission that EBS is no longer doing business in the State of South Carolina. According to EBS's request, the Company filed for Chapter 11 Bankruptcy protection on December 2, 2001, and the Company is in the process of selling all remaining assets. EBS asserts that the Company has ceased all business operations and is attempting to close all outstanding regulatory accounts; therefore, EBS respectfully requests cancellation of the Company's Certificate of Public Convenience and Necessity.

As EBS is no longer providing the services for which its Certificate of Public

Convenience and Necessity was granted, the Commission finds and concludes that EBS's Certificate of Public Convenience and Necessity to provide facilities-based interexchange access telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications services as a facilities-based carrier within the State of South Carolina authorized by Order No. 2001-020, dated January 5, 2001, issued in the instant docket to Enron Broadband Services, Inc. is hereby cancelled.
2. This Order shall remain in full force and effect until further Order of the Commission.
